25X1A After consultation with Ed
25X1A the Chief of the
25X1A he submitted the
following draft program for the
29/30 September conclave at
25X1A It strikes me as
acceptable with one amendment and
two large questions. As you will
note I have made several inked
changes. The major change is striking
the 1:30 - 4:30 p.m. working session
on Saturday afternoon.

The questions are as follows:

- I believe 9:30 p.m. is too late for dinner. I would opt for the 5:30 p.m. reservation time.
- While I like the ideas listed on page 2 for the time of 8:00 - 9:00 p.m., I have some reservation about the propriety of using government funds to pay the fee. We could assess the attendees to pay about \$8 a couple and I would be certainly willing to do so myself.

When it comes to the assignment of quarters, addressed at attachment I will take care of that. I will also arrange the manifest for the two aircraft involved.
